

## Press Release

On the eve of "National Entrepreneurship Day" Department Of Commerce and Management Studies Govt. Degree College Boys Anantnag in collaboration with JKEDI Anantnag organized an awareness programme regarding Entrepreneurship- A career option to curb the menace of unemployment. The programme was attended by Faculty members and a galaxy of students. The Resource Persons from JKEDI Anantnag comprising of Mr. Arshid Malik presented the key note address and apprised the candidates about the bulge in unemployment scenario of J&K and threw light on different Govt. initiatives particularly of JKEDI while Azmat Hussain Consultant JKEDI Anantnag provided information about various schemes being implemented by JKEDI. The programme generated a healthy discussion and the queries/questions put forth by the students were answered.

The programme was chaired by Principal of the College ,Prof.(Dr.)Ali.Mohammad Dar who addressed the students and thrustured upon the need of creation of Entrepreneurial Culture in the State.

Head of Department Commerce and Management Studies Prof.(Dr.) Ghulam Hassan Thakur laid special emphasis on enhancement of Skill set of youth and risk taking capabilities so as to secure their future.

The session was moderated by Mr. Iftikhar Bashir wani Assistant Professor- Commerce and Management Studies

The programme concluded with a vote of thanks from Mr. Ghulam Jeelani Assistant Professor- Commerce and Management Studies and even said that we will continue to organize such programs in future as well in order to bridge the gap between Government sponsored various entrepreneurial motivational schemes and prospective entrepreneurs.
