REPORT

Event: Plantation Drive in College campus
Date: 27th of July 2023
Organizers: NSS and NCC, Department of Water Management and Environmental Sciences
Department of Social Forestry Division Anantnag
Venue: College Campus

College NSS, Department of Water Management and Department of Environmental Sciences, NCC in collaboration with Social Forestry Division Anantnag, organized plantation drive under the aegis of “Meri Mati Mera Desh-Scheme” and “Azadi Ka Amrit Mahaotsav” to commemorate the 75th year of Indian Independence in the College campus today on 27/07/2023.

The Plantation Drive was kick-started by the worthy Principal, Professor Muzaffar Ahmad Bhat by planting the sapling. The faculty, local fund employees and a large number of NSS Volunteers actively participated in the drive by digging pits and planting saplings. The

principal of the college highlighted the importance of such programs in and outside campus to develop greenery that will beautify the campus and also protect the environment. He expressed his resolve that college will continue to organize such activities and emphasized that everyone shall be involved in the environmental related activities

Dr. Waheed Ahmad Khanday and Prof. Raveed Yousuf Bhat NSS Programme officers of the College highlighted the importance of these activities to get sensitized about environmental concerns like global climate change as well as plastic free environment. They also impressed upon the students regarding their role as stake holders of the Only Earth for conservation.

Dr. Sartaj Ahmad Ganie, Head Department of Water Management highlighted the objectives of this drive to enhance the tree cover on the campus and to sensitize the students towards importance of trees.

Prof. Naik Yaseera, Head Department of Environmental Sciences added that the main objective of such activities is to foster the awareness of environment among the budding youth and explained the role of such activities in maintaining the ecological balance there by mitigating the Climate Change. The event was concluded by a formal vote of thanks from **Dr. Aadil Hamid**, Faculty Department of Environmental Sciences.
